The House Appropriations Committee recommends that the Legislative Finance Committee monitor the 2011 biennium goals of the Montana University System research and public service agencies (Agricultural Experiment Station, Extension Service, Forest and Conservation Experiment Station, Montana Bureau of Mines and Geology, and the Fire Services Training School) that were submitted to the Joint Appropriations Subcommittee on Education. The House Appropriations Committee recommends that the Legislative Finance Committee and the Montana University System determine the performance measurements for the 2011 biennium goals and the Montana University System report on progress on the performance measurements to the Legislative Finance Committee.
